

## **Ideas to consider when reflecting on Learning Outcome #7, “Considered the ethical implications of their actions”**

Below is a list of questions that may assist you in providing evidence in how you considered the ethical implications of your actions in your CAS activities:

- ◆ In what ways did you act with integrity and honesty in this activity?
- ◆ In what ways did you find the activity required you to make reasoned, ethical decisions?
- ◆ How did this activity expose the attributes of a good team worker/leader?
- ◆ How did this activity expose the attributes of a good person?
- ◆ Did participating in the activity provoke any emotions in your or the participants, and how were these emotions dealt with?
- ◆ Did the activity assist in introducing or reinforcing obligations that we have as a member of society?
- ◆ Were there any issues raised in this activity that relate to maintaining a sustainable natural or economic environment?
- ◆ What are some of the key personal attributes required to work fairly and justly with other people? How were they evident in this activity?
- ◆ Were you required to adhere to any rules/obligations in doing this activity? How well did you adhere to them?
- ◆ Did participating in the activity question or conflict in any way with the cultural/social/religious guidelines in which the activity was held?
